From the Office of Cynthia St. John, Chief Executive Officer, Southwestern Public Health

New Southwestern Public Health Website

As a valued stakeholder in the health system, I am informing you that Southwestern Public Health has launched a new website. The URL remains www.swpublichealth.ca, but you may notice that key areas you used most often have moved, been updated, or were replaced by more user-friendly content.

It is critical that our resources are available and accessible to all of our stakeholders and partners.

Please contact communications@swpublichealth.ca if you need assistance in locating a resource, particularly if it is urgently needed.

We appreciate your patience as you familiarize yourself with the new website and its functionality. We recognize that this is a very busy time for you all and we are here to support you in navigating the new site.

Thank you,

Cynthia St. John
