From the Office of Dr. Ninh Tran, Medical Officer of Health, Southwestern Public Health

New Respiratory Virus Activity Dashboard

Southwestern Public Health has launched a new [Respiratory Virus Activity Dashboard](#). Updates will be available every Tuesday for the week prior.

Information captured in the dashboard will include overall risks and trends for respiratory viruses, specifically:

- COVID-19 risks and trends for cases, percent positivity, hospitalizations, and wastewater surveillance,
- Influenza risks and trends for cases, percent positivity, and wastewater surveillance,
- RSV percent positivity; and
- institutional outbreaks.

ACTION: Scroll to the bottom of the dashboard webpage to subscribe to ensure updates are sent directly to your inbox.
