March 20, 2020

From the Office of Dr. Joyce Lock, Medical Officer of Health, Southwestern Public Health

Cancellation of Health Unit Services

Southwestern Public Health will be closing most of our clinics and classes until April 15, 2020. We will not hold TB skin testing clinics, except for case contacts and immigration surveillance cases, prenatal, breastfeeding, food handling or dental services. Sexual Health Clinics will continue with very careful safety measures in place, except for our Tillsonburg clinic which will be cancelled until further notice. Our Needle Exchange Program will also remain in service with additional infection control measures in place.

Questions? Please call 1-800-922-0096 ext. 9 and speak to a member of our infectious disease team.

Thank you for your cooperation and support as we slow the spread of COVID-19 and keep our community as healthy as possible.

Dr. Joyce Lock

Medical Officer of Health

Southwestern Public Health
