COVID-19 Vaccine Eligibility Update for the Southwestern Public Health Region

The following groups have been added to the eligibility for the COVID-19 Vaccine in our region.

- **Adults aged 65 or older (including those turning 65 in 2021)**

All previously identified groups remain eligible. A full listing and how to book an appointment is available on our website, www.swpublichealth.ca/eligibility.

Everyone is encouraged to be vaccinated **at their earliest eligibility opportunity**. There will be enough vaccine for everyone else who wants to be vaccinated when they become eligible.

Adults aged 75 or older who need help booking an appointment can sign up for support at forms.swpublichealth.ca/COVID-19-Help-List.

We appreciate your continued patience and support.

IMPORTANT:

The Emergency Response Messenger System (ERMS) has been replaced by the Rave Alert mass notification system.

To continue to be notified of vaccine eligibility updates, **you must subscribe** to the following page on the Southwestern Public Health website (found at the bottom of the page):
