

# COVID-19 VACCINE AFTERCARE

**COVID-19  
VACCINE INFO**

## What to do right after getting vaccinated:

- Wait for 15 minutes after being vaccinated to make sure you feel well.
- If you have severe allergies to other things, you will be asked to stay for 30 minutes.
- Check out with clinic staff before you leave.

**Tell clinic staff right away if you do not feel well!**

## What to expect in the next few days:

Like other vaccines or medications, the COVID-19 vaccine can cause side effects. Not everyone will have side effects, and most are mild.

### Common side effects include:

Arm pain, redness or swelling

Tiredness

Headache

Muscle or joint pain

Fever or chills

### Serious side effects include:

Hives (bumps on the skin that are very itchy)

Swelling of the face, tongue, or throat

Difficulty breathing or shortness of breath

Heart palpitations or abnormal heart rhythm

Chest pain

**Serious side effects are rare. If you develop signs of an allergic reaction, get medical help right away or call 9-1-1 if you feel very unwell. If you are concerned about any reaction you have after being vaccinated, talk to a doctor or contact Southwestern Public Health to report it.**

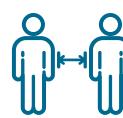

## Keep following public health measures after vaccination:

Wash your hands often

Wear a face covering (mask)

Stay 6-feet apart

Avoid contact with people you don't live with

Stay home if you are sick

## Things to remember:

- Make sure you return for your second dose when you are supposed to.
- To download your digital enhanced vaccination receipt go to: [covid19.ontariohealth.ca](https://covid19.ontariohealth.ca). If you do not have a health card, call 1-833-943-3900 and have your client ID ready.
